SIL CATH® GS-1027

- 100% silicone male external catheter.
- Soft silicone catheter is designed to be non-irritating, non-reactive for a soft and gentle feel.
- Cup-shaped applicator makes it easy to wear.
- Ergonomically shaped and easily rolls over the penis.
- Transparent material allows better skin health monitoring while the catheter is in place.
- Provided with soft adhesive strip for proper fixation of the catheter to penis shaft.
- Skin-friendly adhesive helps to maximize wear time and also prevents accidental detachment.
- Gentle adhesive keeps the catheter in place yet allows for easy removal.
- Proximal end is designed for safe and easy connection to urine bag/ leg bag.
- Sterile, individually packed in peelable soft blister pack.
- Box of 25/ Master Box of 400.
