SURGEINE HEALTHCARE

Disposable Bed Sheet Medical

The Disposable Bed Sheets are ideal for use within medical and care facilities patients, or for individuals with moderate to heavy incontinence. **Ideal for use in hospitals, doctors rooms, especially in areas where short stays and frequent bedding changes.**

These sheets are quick and easy to both put on and remove from the bed when needed. They are thick enough to protect the mattress, and can be disposed off when necessary.

Bed Sheets are made from hydrophobic Spun-bond Polypropylene, guarding against stains and spills and assisting in infection control and cross-contamination risk.

The products provide a highly cost effective and versatile solution whilst assuring optimum hygiene and comfort for patients. The products can also be used under normal bed linen.
