Empowering clinicians to operate with confidence and protect patient safety at every step.

SURGEINE HEALTHCARE

SURGICAL SCRUB BRUSHES

CLEAN HANDS, SAFE SURGERY

Surgeine Healthcare offers a comprehensive range of preoperative surgical scrub brushes designed to deliver consistent antiseptic performance with maximum skin compatibility. Whether for routine surgical prep, infant care, or general hygiene, each brush is engineered for safety, effectiveness, and comfort.

Key Features

Dual-Action Design:
A soft foam sponge is paired with gentle bristles for mechanical scrubbing and mild cleansing- ideal for sensitive or irritated skin.

Solution-Based Colour Coding:
Each variant is clearly colour-coded (e.g., brown for iodine, purple for 2% CHG & green for 4% CHG) for easy identification.

Versatile Applications:
Suitable across age groups for medical, hygiene, dermatological, and even home-care applications.

Soft Sponge Absorption:
Sponge side can absorb up to 50 mL of liquid—ideal for thorough antiseptic application.

Latex-Free and Biocompatible:
Made for sensitive skin, our brushes are latex-free, sterile, and safe for all ages.

Ergonomic Design:
Compact and user-friendly size, allows efficient scrubbing without hand fatigue.

Fingernail Cleaner Included:
Every brush comes with an integrated nail pick to ensure complete hand and nail hygiene.

Shelf Life:
2 years of guaranteed product efficacy under recommended storage conditions.

SURGEINE HEALTHCARE

OUR VARIANTS INCLUDE
